B-LIGHT Chain suspension without chain support rail

Article no. 55060000

Tender
Chain suspension without chain support rail, stainless steel. Ceiling mounting base for chain suspension without chain for mounting trunking in the modular quick-mounting continuous-row system. Made of stainless steel. For combination with on-site chain for project-specific suspension length. Mechanical accessory for suspended installations., Material: Stainless steel, .

Product Benefits

- Suspension set basic part without chain for suspended mounting of trunking of the quick mounting system trunking system with on-site chain
- Suspension length freely selectable for specific projects (via on-site chain) - suitable for varying ceiling heights and ceiling heights and structural conditions
- Robust, uncomplicated suspension; fine adjustment possible via chain links of the on-site chain
- Particularly suitable for industrial environments
- Supports uniform line alignment and reproducible mounting heights
- Material: Stainless steel mounting bracket - corrosion-resistant

Article data	
Article no.	55060000
GTIN	4255752527756
Series name	B-LIGHT
Short description	Chain suspension without chain support rail
Material	Stainless steel
Colour	stainless steel
Length	56.5 mm
Width	36.2 mm
Hight	52.5 mm
Weight	0.033 kg

All technical data as well as, weight and measurements are based on rated values and had been carefully prepared. We reserve the right to make technical changes which are are important in progressing. Product pictures are examples and can vary from the original. Subject to errors.
Date 03.08.2026 Orders are placed under our general terms and conditions under https://www.brumberg.com/en/terms-and-conditions/general-terms-and-conditions-of-sale/
