GREATE. EARTHING CONTACT PLUG

SCHUKO PLUG FOR OUTDOOR USE 6 PIECES

The greate. earthing contact plug with strain relief and bend protection is ideal for connecting to extension cables, cables with defective plugs or broken cables.

PRODUCT HIGHLIGHTS

- The plug is tested in accordance with DIN VDE 0620-1:2010-02 and is suitable for a voltage range of 230V/16A.
- Protection class IP44 with splash-proof housing enables outdoor use.
- Simple installation - loosen the screw on the side, remove the sheathing, attach the cables and screw the coupling back together.
- The 230V plug made of extremely robust rubber offers reliable protection against various external factors such as drops and knocks.
- The integrated strain relief and kink protection protects the mounted cable from slipping and ensures a secure hold.

TECHNICAL INFORMATION

Material:	Rubber
Max. conductor cross-section:	2.5mm²
Tension:	250V
Current:	max. 16A
Strain relief:	Yes
Kink protection:	Yes
Protection class:	IP44
Safety:	VDE-tested

PRODUCT DATA

Product name:	Earthing contact plug
Part number:	503030-6
Tariff number:	85366990990
Scope of delivery:	6x earthing contact plug
Packing type:	PE bag

VOLUMETRIC DATA

Product

Dimensions:	70x24x24mm
Weight:	38g

Product + packaging

Dimensions:	210x110x25x
Weight:	225g
EAN:	4260368685332

Packaging unit

Quantity:	4
Dimensions:	205x200x95mm
Weight:	1020g
EAN:	4260368686131
