GREATE. OUTDOOR SOCKET OUTLET

OUTDOOR SOCKET OUTLET WATERPROOF 2-FOLD

The greate. 2-fold outdoor socket outlet with waterproof IP66 protection offers safety and reliability for outdoor use. The robust design ensures protection from water and dust, ideal for the garden, patio or garage. Easy installation and durable construction for long-term use.

PRODUCT HIGHLIGHTS

- Easy installation thanks to removable interior, large wiring space & terminal connection with cable cross-section up to 2.5mm^2.
- Protection class IP66 - The outdoor socket outlet is dustproof and protected against strong water jets from all directions.
- Ideal for use in the garden, courtyard, patio, balcony, workshop or outdoors.
- The integrated overvoltage protection protects against lightning strikes, power failures and other electrical faults that can lead to overvoltage.
- The waterproof outdoor socket outlet can be locked with a lock to prevent power theft.
