Hook-and-Loop Tape Set with Scissors

This polyamide hook-and-loop tape is ideal for general bundling tasks and securing items such as objects, cables, sports equipment, plants, curtains, tools, and much more. Its excellent material properties allow for a wide range of applications across various environmental conditions. The material is dimensionally stable, robust, and resistant to many liquids as well as UV radiation. Flexible hook-and-loop tape on a spool without buckles, for flexible use and cutting to length.

Technical data:
Material: Polyamide • Content: 20 m (4 x 5 m) • Temperature range: -20 ... 85 °C • Melting temperature: >250 °C • Color: black.

For perfect cutting results:

Technician Scissors, Handle Black/Red
Length 14 cm • Blade length: 6 cm • Width: appx. 6.6 cm • Material: Stainless steel, plastic handle • Rubberized inner ring.
