2  
YEAR  
WARRANTY

It is allowed to bring this Xtorm charger in your carry-on baggage on a plane with approval of the airline. Devices containing 101-160 watt hours lithium ion batteries like this Power Bank are limited to two pieces in carry-on baggage only and have to be approved by the airline.

Xtorm chargers are always pre-charged. This means you can start using your new Power Bank from the moment you remove it from the box.

The XB203 Power Bank Infinity is fully compatible with the future USB C charging standard. This enables charging a USB C laptop.

This universal charger will charge practically any electric device. Devices using up to 220 volts can be charged via the two international sockets.

All Xtorm products have a 2 year warranty in case something goes wrong. We ensure that you will receive a replacement if the product fails within 2 years.

By ideal conditions  
Expect 1-2 hours\*  
charging time.  
Connect with your  
mobile device using  
your own USB cable.

Connect the  
USB charging cable  
to the USB output.

All Xtorm chargers are pre-charged.  
You can instantly start charging your mobile device or laptop.
