

TRAVELLER 770 DPR-77

DAB+ / FM-RDS
Digital Stereo Receiver

If you are looking for a small radio that you can take with you to the office, in the garden, to the beach or to the holidays and camping, then the Traveller 770 is just right for you. With two different types of reception for radio (FM and DAB+) and stereo speakers, you can always and everywhere enjoy your favorite radio station.

A total of ten pre-sets are available (5 for DAB+ and 5 for FM), which can be selected via the direct buttons on the top of the radio. Further useful functions are for example the button lock, which prevents accidental use of the features and the integrated charging function. The Traveller 770 is the ideal radio to take with you, thanks to the batteries, the tactile barrier and the robust rubber finish.

- 10 station presets (5 DAB+, 5 FM)
- Information display for service data
- Manual / Search tuning
- Menu - selection of major functions
- Easy to read LCD display with backlight
- Automatic station search
- Lock switch
- Plays on rechargeable and dry-cell batteries
- Rechargeable battery facility with charging LED indicator
