

▶ Ord.-No.: 12629

- ▶ VOX hands-free function
- ▶ Repeater function
- ▶ large 4.7 cm display

> AE 6290

The first Albrecht CB radio with integrated repeater/relay function.

The AE 6290 transmits on one channel and receives on a second channel. The radio automatically switches back and forth between the two channels. This allows communication with weaker, more distant radio stations that are within the range of a relay. The radio range is thus considerably increased.

- ▶ Multinorm CB radio with all European frequencies
- ▶ VOX hands-free function
- ▶ CB radio relay/repeater function, freely programmable
- ▶ S-/ Power-Meter
- ▶ AM/FM switching
- ▶ Talk Back - function to check own modulation
- ▶ SCAN functions for all channels
- ▶ Channel 9/19 emergency button (freely programmable)
- ▶ Automatic squelch ASQ
- ▶ Noise Blanker against radio interference
- ▶ Up/Down keys on the radio and on the microphone
- ▶ Display illumination in 8 colors
- ▶ RJ45 microphone socket

Delivery content: CB radio AE6290, RJ45 microphone with Up/Down keys, DC power cable, mounting bracket, manual
