

**Unlimited flexibility.
With USB cable for external power supply.**

TKB 2925 – Electric cooler with USB connection

The USP at a glance:

- Cools up to 20°C below ambient temperature and keeps food warm at approx. 50°C
- With innovative USB connection cable for external power supply
- Plenty of storage space due to 25 liters usable capacity
- Incl. mains lead and additional 12 V connection cable for cigarette lighter sockets
- Incl. useful car battery discharge protection
- Incl. environmentally friendly ECO-function (16 W)

Detail image and texts

The perfect 3-in-1 solution

For unlimited flexibility and mobility. Inclusive **mains lead**, additional **12 V cable** for cigarette lighter sockets and **USB cable** for external power supply (e.g. via power bank*).

Practical carrying **handle** can also be used as **lid support**. The lid has an **integrated cable compartment**, a durable and brush-released **fan motor** and is **removable**.

Plenty of storage space due to 25L capacity.

With useful partition for individual and convenient loading. Suitable for 1.5 and 2 L bottles in upright position. **Cools down** to 20° below ambient temperature, **keep-warm function** (e.g. for food) up to approx. 50°C.

From the beverage market to the lake.

Thanks to perfect dimensions, even an **11-pack beer crate** fits in the cooler.

Even works on the road without power.

The operation via **power bank*** (10.000 mAh) extends the functions by approx. **4.5 hours**.

Inclusive self-adhesive silicone pad

for non-slip attaching of the power bank* on the closed lid. The silicone pad is **easy to remove**, leaving **no residue**.

* power bank not included

Important Data

Power in Watt	58
Net capacity (in L)	25
Colour	Grey-Green
Noise emission (in dB)	49
Energy efficiency class	E
Energy consumption / year (in kWh)	76
Unit dimensions (H x B x T in cm)	45 x 44,5 x 32
Packaging dimensions (H x B x T in cm)	46 x 45,6 x 33,1
Net weight / gross weight (in kg)	4,7 / 5,7
GTIN-Code	4008146040955
