LOKLiK ImPress™ Mini 3

One is Enough!

Enjoy the double pleasure with LOKLiK ImPress™ Mini 3! Comes with a compact body, works via two (curved/flat) heat plates, and equips a precision tip. Whether it's a uniquely curved object or a substrate with hard-to-reach corners, including mugs, shoes, hats, stuffed animals, and more, you can enjoy perfect results out of what it takes. Flexible heat settings and a digital screen are what you exactly need. Now, embrace further control over the desired heat transfer and sublimation projects of all kinds.

 LOKLiK

FEATURES

Twofold Heat Styles, Twice the Enjoyment

The LOKLiK ImPress™ Mini 3 packs full power in a flat+curved plate design. With the 5.2 x 4.5 cm curved plate and a uniquely shaped little stand, it helps personalize unexpected objects like shoes, mugs, hats, stuffed animals, and more.

Embrace Perfect Results of Control

Feel free to embrace hassle-free creative activities with the investment in digital screen and button designs. Combined with an extensive temp/time range of 100-200°C and 1 ~ 600 s, the LOKLiK ImPress™ Mini 3 gets used the most when diverse heat transfer ideas are popping out!

Added Fun Under Extra-wider Plate

As the biggest kid in the mini heat press family, LOKLiK ImPress™ Mini 3 can always offer a more rounded service with a 9.3 x 8.0 cm heat plate and precision tip. Such a large heating area can be your beginning to do nonstop good and efficient passes.

Pop in Do a Quick Project

Don't be tricked by its compact body! LOKLiK ImPress™ family always empowers incredibly efficient crafts out of their fast and even heat provided by the advanced heat plate and mighty heating techniques.

Thoughtful Features You'll Love

LOKLiK keeps advancing to higher security while offering crafters the utmost convenience via an ergonomic handle design, an upgraded insulated safety base, and a 15-minute auto-off feature.
