

Q022

Technical Datasheet

Technical Specifications

Part No.	Q022
Input voltage	5.0±0.3V
Input current	2.0±0.3A
Output voltage	5.0±0.3V*4
Output current	500±160mA*4
Weight	80g
Output currentShort circuit protection	Yes
Storage Temperature	-20°C to 45°C
LED	Power indicator
Protect	Short circuit protection and reverse connection protection
