- To adjust the chair height, gently pull the lever up. Do not use excessive force to pull the lever.
- Please wear protective gloves when assembling the chair. It is your own responsibility to use appropriate protection to avoid physical injury.
- When rocking the chair, using it in any other way or adjusting the height, inclination, position or balance of the chair or any of its components, please:
 - do not lean against your knee's caps and keep it away from spaces in which it could get caught or be injured.
 - do not make fast or violent movements.
 - (when the chair is in movement) do not touch any of the chair's adjustment controls to prevent affecting its stability and causing a potentially dangerous fall.
 - When the chair is in use, please do not exceed the stated control level in lock position and keep both feet on the ground, as well as abstain from any violent, rough or strong movement which could cause the chair to tip over.
 - keep in mind that this chair is designed only for sitting and reclining, and that it should be used only for those uses.
 - Do not sit on the chair's backrest.
- Do not place the chair in a location in which it is likely to be subjected to prolonged sunlight exposure. The product's colors might fade when exposed to sunlight.
- Do not use abrasive products or scrub energetically when cleaning. Please stick to gentle products suitable for delicate materials.
- All parts should be checked monthly to confirm their integrity and to make sure that the screws are not loose. If any part of the product is or appears to be damaged, missing or loose, please contact the local distributor or do not use the product.
