

Spirit 8500 LM

NEW 2016 RANGE

Car Navigation with Lifetime Maps & Safety Camera Updates

The new Spirit 8500 LM comes with Lifetime Map Updates, so you never have to worry about new maps or road changes anymore. And thanks to the integrated safety camera alerts, with updates for the lifetime of your device, you'll always know where to drive extra carefully.

The Spirit 8500 LM is optimally designed for comfort and ease of use. The bright, extra-large 6 inch screen ensures you'll never miss a turn or an instruction.

IQ Routes™ uses real-life information collected from millions of drivers to optimise the route that is calculated: giving you the optimal way, any time of day. The enhanced LearnMe Pro™ monitors and learns your driving style, providing you with personalised routes to suit your preferences. You will see the improvement in your routes and estimated time of arrival on the screen.

Find parking places more easily with the Parking Assistance feature which automatically shows a list of parking spaces when you are within 1km of your destination, so you don't have to search for a nearby car park.

Key Features

- Including Lifetime Map Updates - receive the latest maps free of charge, up to 4 times a year*
