Spirit™ 7700 LM

WHY THE MIO SPIRIT™ 7700 LM

Lifetime Map Updates – TomTom Map inside

Never worry about road changes or closures thanks to the device's built-in Lifetime Map Updates. Connect your device to your PC, install the MioMore™ Software and you'll always know when there's an update available, so that you won't get lost.

You drive, your device learns – LearnMe Pro™

The more you drive, the more it learns with the LearnMe Pro™ feature. The tool learns and monitors your driving style so it can provide you with personalised routes that suit your journey preferences.

Junction views and lane guidance in 3D

The Spirit™ 7700 LM is designed to help you reach your destination safely. With clear, full screen simplified directions at complex points, 3D junction views and lane guidance ensures you know which lane to take well ahead of time.

User friendly active magnetic mount

Designed for user friendly, Spirit™ 7700 LM with convenient active magnetic mount design, allow user easily de-attach from windshield magnetic holder. Besides, the device power supplier can either from holder or directly from device micro USB slot.

Spoken street names so you never lose your way

With spoken street names, your Spirit™ 7700 LM will always help you find your way, wherever you may be. The device comes with integrated turn-by-turn voice guidance and Text to Speech (TTS) technology.

Real-life information for real-life journeys: IQ Routes™

By collecting real data from other drivers, IQ Routes™ optimizes your journey so you can avoid closed roads and congestion.

Parking Made Easy with Parking Assistance

Designed to make your driving experience as easy as possible, the device comes with the Parking Assistance feature, so that when you're within 1km of your destination, you'll know exactly where you can park and how to get there.
