Spirit™ 7700 LM

WHY THE MIO SPIRIT™ 7700 LM

Lifetime Map Updates - TomTom Map inside

Never worry about road changes or closures thanks to the device's built-in Lifetime Map Updates*. Connect your device to your PC, install the MioMore™ Software and you'll always know when there's an update available, so that you won't get lost.

Safety at the forefront - Lifetime Safety Camera Data

The Spirit™ 7700 LM comes with pre-installed safety camera data, so that you'll always know how fast you can go and at what speed. The data updates for the lifetime of the device too, because with Mio you can drive forever.

Junction views and lane guidance in 3D

The Spirit™ 7700 LM is designed to help you reach your destination safely. With clear, full screen simplified directions at complex points, 3D junction views and lane guidance ensures you know which lane to take well ahead of time.

Spoken street names so you never lose your way

With spoken street names, your Spirit™ 7700 LM will always help you find your way, wherever you may be. The device comes with integrated turn-by-turn voice guidance and Text to Speech (TTS) technology.

The new Spirit™ 7700 LM is the latest navigation device optimised for drivers of large vehicles, such as a camper, caravan or truck. Built around comprehensive data and specific routing information, the Spirit™ 7700 LM is the navigator that gives drivers the safest most efficient route to their destination. Take the worry out of planning routes for large vehicles. Specific routes are calculated based on individualised details, such as your vehicle's dimensions, weight, load and vehicle type, helping you avoid the dangers of sharp U-turns at bridges, tunnels and roads with access restrictions.

You drive, your device learns - LearnMe Pro™

The more you drive, the more it learns with the LearnMe Pro™ feature. The tool learns and monitors your driving style so it can provide you with personalised routes that suit your journey preferences.

User friendly active magnetic mount

Designed for user friendly, Spirit™ 7700 LM with convenient active magnetic mount design, allow user easily de-attach from windshield magnetic holder. Besides, the device power supplier can either from holder or directly from device micro USB slot.

Real-life information for real-life journeys: IQ Routes™

By collecting real data from other drivers, IQ Routes™ optimizes your journey so you can avoid closed roads and congestion.

* Map updates included for the lifetime of your Mio device.

SpiritTM 7700 LM
