For many years, the name Klippon® has stood for competence and quality in enclosures.

The Klippon® EBi industrial enclosure series protects your components reliably if they are used in moderate environmental conditions and is designed for everyday applications.

With the ever-increasing need for individual application solutions, the Klippon® EBi with its high degree of protection and impact resistance is ideally suited to your needs.

Our standard product is the Klippon® EBi QL – with hinged door and double-bit key lock.

A variant with mounting screws is also available, but is only manufactured on request and is subject to a minimum order quantity. DNV GL and cULus approvals are also available on request.

Allmänna beställningsdata

Typ	GFSC M5x10 TX20 SET
Art.nr.	1274150000
Artikelbeteckning	Klippon EBi (Essential Box industrial), Montageskruv, Silver
GTIN (EAN)	4050118063820
Frp	1 Stück
